President's Message

To all our wonderful Mosman Rowers Members,

If you have been down at the Club in the past few weeks you may have noticed we now have solar panels installed. This was funded by a NSW Community Building Partnership Program, with our sincere thanks to our local Member, Felicity Wilson for supporting us in this endeavour. This adds considerably to our commitment to being environmentally friendly. A big thankyou to Andrew Moderer and his team at SolarBank for the installation work. We are looking forward to a sizable reduction in our power bills. We are truly a community hub with commitment.

We are really pleased to have had loads of very complimentary feedback from members about the ongoing use of the café as an exhibition space. Exhibitions@The Rowers is the continuation of Art@The Rowers, featuring small group or solo exhibitions. Our first was the wonderful Press Gang, a diverse group of Printmakers and Photographers which was very well received. Our next exhibition is presented by Mosman Art Society, it opened this week on Wednesday 7th June. The exhibition will run through to Thursday, June 15th .

The Club also supported our GM Tom, who ran a fundraising event for the charity Staying Alive. Thankyou every who attended. It was a great night of lovely food, lots of entertainment, and generous folk supporting the event, fundraising to invest in heart health and infrastructure such as defibrillators in rural communities.

President's Message Continued:

During May we hosted the Mosman Chamber of Commerce for their monthly Business After Hours. As a gold member it was great networking evening with a really good turnout. Our thanks to Chamber President Tamara Keniry for making it a successful night. Sadly our Rowers Family Fishing Day held May 7th hit a patch of wet weather. The morning started really well with a group of a very enthusiastic kids and parents in Harnett Park. The inclement weather made the day finish early but not before our winners netted a few fish and prizes. Warm congratulations to Tom Bentley the overall winner, and Harrison Ahmed the runner up. Well done ! And our thanks to our fabulous Rowers Fishing Club for your hard work getting the day organised. We look forward to rescheduling another day before too long.

If you are interested/willing to be more involved in the Club, we will be holding a Volunteers night on Thursday 10th August, 6.30pm, firstly to thank our wonderful current volunteers, who work tirelessly, and to speak to others keen to learn more about the many great ways to get more involved in your Club. If you are interested, please let us know via Membership@mosmanrowers.com.au

We have essential maintenance working on the piles under the building, and boards on the walkway down the side of the Club to the café. We apologise for any inconvenience during the work, but it is very important for your safety, the building and our lease.

It's that time of year, so our AGM is not too far off. We hope many of you will attend to provide your input, date to be confirmed.

Meantime, if anyone is interested to join the Board, please contact me on Membership@mosmanrowers.com.au and we can discuss.

We look forward to seeing you at the Club as often as possible.

Kathrina Doran

Mums&Bubs @The Rowers

At The Rowers, we are more than just a restaurant, we are a community. We believe in creating a welcoming environment where people can come together to share good food, good company, and good times.

As part of our commitment to the community, we are proud to offer mums and bubs classes at our venue.

We understand that being a new mum can be challenging, and that it can be difficult to find the time to exercise or build your support network while also taking care of your little one. That's why we have created a safe and supportive space where mums can bring their babies and participate in a workout together.

Run by Em, the mums and bubs classes are designed to be fun and engaging, with exercises that are specifically tailored to the needs of postpartum women. You'll have the opportunity to connect with other mums, share your experiences, and build a supportive network of friends.

At The Rowers, we believe in the power of community, and we are proud to offer a space where new mums can come together to nourish their bodies, minds, and souls.
