Combining his love of painting, bold colour and strong design Ken has been a huge success in bringing together a strong entrepreneurial bent into his artistic achievements.

The Ken Done Gallery opened in the magnificent heritage Australian Steam Navigation Building in Sydney's historic Rocks area in 1994. In the decades since, Ken's original works have inspired a unique collection of art and design, limited edition prints, books, clothing, accessories, homewares and more.

# President's Message

To all our wonderful Mosman Rowers Members,

We finished 2021 with a great Kids Christmas party and as always, Santa was a huge hit. This was followed a week later with the Members party - our wonderful Santa visited again, plus we had a yummy cake for our 110 year anniversary, live jazz and fizz. A nice way to end what has been a challenging year for everyone. We just hope 2022 is a much easier year.

We have lots of things planned. Monthly *Jazz Tuesdays@The Rowers* is back and started this week, then the first Tuesday each month at 6pm with a special prix fixe dinner deal and Jazz entry included, and some very special guest artists.

The big event for the start of the year will be our inaugural acquisitive art exhibition, opening Saturday 5th March. Be sure to put this in your diary. We are honoured to have wonderful local artist Ken Done supporting our exhibition. Ken will be presenting our February *In Conversation@The Rowers* as a lead up the exhibition. Ken is also the judge of our art prize. We are also delighted to have Harris Farm as our major sponsor of *Art@The Rowers*. They are generously supporting the exhibition, providing the prize money and assisting with some funding toward the hanging system. We are very grateful for their fantastic support. We have a great selection of works submitted.

We are also enormously grateful to our staff who have worked tirelessly to keep the Club open, ensuring our Members, family and friends can continue enjoying a safe and friendly environment. It has been challenging, and at times we have needed to restrict opening hours. We are sure you realise how hard running any business has been with staff shortages, constantly changing regulations, the need to monitor QR check-in and vaccination compliance adding to demands, and now the highly infectious Omicron impacting staffing even further. We thank you for your continued support and understanding through this period.

Best wishes from the Board for a good 2022. Hope you had a great Australia Day, and don't forget to buy your Rowers 2022 calendar with our super 2 for 1 deal in January! Ask at the bar before they sell out!

Stay safe, fingers crossed for a smooth return to in-class schooling, and our warmest wishes to all who received their HSC results this week. See you down at the Club again, very soon.

Regards,

Kathrina Doran, President

# Art@The Rowers: Opening Saturday 5th March

We are super excited to be launching our inaugural *Art@The Rowers* Exhibition to open 3pm Saturday 5th March.

We are delighted with the large number and very high calibre of entries. The selection process, undertaken by a well-qualified and experienced panel is now complete. The exhibition is Acquisitive, which means the first prize entry becomes the property of Mosman Rowers and will be permanently hung in pride of place. There are cash prizes for 1st, 2nd, 3rd and Members Choice. Harris Farm is our generous sponsor, with our sincere thanks to the Harris family.

The Exhibition will run from Saturday 5th – Saturday 19th March. Saturday 12th will be the Awards evening to announce all the winners. Members will have the opportunity to vote for their favourite piece between Saturday 5th and Saturday 12th. All works (except the winning entry) will be available for sale during the exhibition. Make sure you come to the opening if you are keen to purchase an original work by a gifted artist depicting beautiful Mosman Bay, supporting both the artists and Mosman Rowers.

The exhibition is supported by renowned artist and Mosman local, Ken Done, AM. Ken leading the judging, will present the winners at our March 12th Awards event – an event not to miss – put this date in your diary.

Local artist Sarah Montgomery of ArtSmart artist supplies and framing is offering a 15% discount on framing to all exhibitors. Huge thanks Sarah.

We are looking for volunteers to help with the exhibition.

If you have an interest in hanging the exhibition or helping with the sales of works throughout the 2 weeks of the exhibition, we would love to hear from you via [Art@mosmanrowers.com.au](mailto:Art@mosmanrowers.com.au)
