President's Message

To all our wonderful Mosman Rowers members,

A special thank you to all those members who attended the Club AGM on Oct 27th. It was a pleasure to present the Club's strong financial position to 31 March 2021 despite the challenging year we survived. I was especially pleased to publicly acknowledge and thank all our invaluable and enthusiastic volunteers. Thank you all once again, without our dedicated members, our Club wouldn't be the incredible community hub it truly is!

Volunteering is a very rewarding exercise however we are conscious it can take time and we want to have sustainable committees, so we welcome all those interested in supporting your local club to join us. We will be hosting a member only thank you event on Thurs 18th Nov 6.30 pm in the downstairs level of the Club for both our current Committee members and for those interested to join us, to learn about the work of the different committees: social; water sports; building maintenance and risk & governance. Please let us know if plan to attend on by RSVP via [What's On](#).

This is a special year for Mosman Rowers. 2021 marks the 110 Years anniversary of the Rowers in Mosman Bay. So we have planned a very special *InConversation@The Rowers* to be held Mon 6th Dec 6.30pm. We hope to see you there. Please also let any contacts who have past connections to the Club know about the event and join us for this wonderful celebration.

As we approach Christmas everyone's diaries are filling fast - even faster than usual. So please note a few important dates - we are planning our members Christmas parties, first family fun for Members' kids on Sun 12th Dec from 2 - 5pm in the lower level of the Club. I heard through the elves that Santa will be back this year! There will be kids entertainment plus prizes for best dressed - Christmas theme of course! Please ensure to book and ensure you provide details of the children (names and ages) attending so Santa has a little pressie for the good boys and girls. We will provide more details shortly. The Members only Christmas party will also be a celebration of our 110 years and will be held Sat 18th Dec, with a special Members Happy Hours, Christmas treats and live music. Again bookings recommended.

And finally, despite the end of the year looming, it is a huge relief for us all that our kids are back enjoying school with their friends and face to face classes. A special mention to all families with Year 12 students, who have had a really tough year, we send our best wishes as they sit their HSC.

Stay safe, and see you down at the Club again, very soon. With so many things coming up we hope to see you often!

Regards,

Kathrina Doran, President

Meet the Team @The Rowers

The Team@The Rowers worked very hard during lockdown, and are even busier now we are back open. All your favourite staff are still here looking after you. But we also have some new faces too.

Amongst them is Damian Birch our fabulous new Venue Manager, supporting Sam as General Manager. A very warm welcome Damian, who brings a wealth of experience.

Damian started in banqueting with the Marriott in the UK while at University. He continued in hotels but shifted focus between Banqueting & Restaurants, eventually progressing to leading F&B Operations within several leading hotel groups: Marriott & Starwood + Accor: Pier One Sydney Harbour, Sheraton on the Park, Peppers Silo Hotel (TAS).

Polish by birth, and educated in the UK, Damian is young family man, dad to his gorgeous daughter and a crazy Labrador. Asked about his style he said "I love to bring a sense of animated expression & general fun to my work where ever possible. I am a big believer in people first.

I am really enjoying working at the dynamic Rowers, the accessibility for wider community that it drives. And of course, loving getting to know the Members."

You will see Damian in venue regularly, with his great smile and snappy style. Introduce yourself, and welcome him to our Club.

Melbourne Cup @The Rowers

Members and friends celebrated the Melbourne Cup on a gorgeous spring day in wonderful style, with champers flowing and delicious food thanks to chef Jayson and his team. There were lots of happy sweep stake winners – thanks to our super hard working Julie Dalglish, and super sweep sellers Timion Rosso and Pete Francis.

Fashion at the Field was fast, furious and fun with Best Dressed decided by acclamation and quite a few laughs thanks to our fabulous, and just slightly irreverent MC John Ed. If you enjoyed his style, you can catch him every Wed at Trivia!

Our thanks to all the team at Rowers for having the place looking so lovely. Just a great day as we return to life as we love it! and the party swung on with live music.

Jobs@The Rowers

If you or members of your family would like to join the team, we are still recruiting. We need more Chefs with experience, Bar and wait staff. This is the reason we are not able to be fully open Monday and Tuesdays.

If you are looking for a permanent or a holiday job with a fabulous view Contact info@mosmanrowers.com.au
